

Brief Bio-Data of Manjunath Shetty

Mr. Manjunath is working as an Asst. Professor at ADARSHA in the Department of Mechanical Engineering since August 2015. He obtained Bachelor's degree in Mechanical Engineering from Visvesvaraya Technological University, Belgaum in 2009. He worked as a Lecturer in Prasanna College of Engineering & Technology, Belthangadi for 1 year during 2010-11. Later he moved to Puttur and worked at Vivekananda College of Engineering, Puttur from 2011-2012 for another year.

Then he decided to have Industry exposure and joined GORICA INDUSTRIES LLC, Dubai in 2012 and worked there for 7 months as production engineer. Then he took a break for 2 years for continuing his education and to improve his educational qualifications, as he made up his mind to take up teaching profession as his career. He pursued M.Tech. Degree in Nanotechnology at Visvesvaraya Technological University (VTU) Center for Post Graduation Studies, Chikkaballapur. During his M.Tech. program he received Best Paper award for 'Synthesis of LaSrCeMnCoFeO₃ and its photocatalysis Application' in the National Conference held at SJBIT, Bangalore. He also presented posters in CAMEE international conference held at Christ University and has actively participated as a volunteer in the Material Science Section of 103rd Indian Science Congress held at University of Mysore in 2016 January.

From August 2015 he is with ADARSHA. During his teaching career, he taught to the full satisfaction of his students variety of subjects like Materials Science and Metallurgy, Turbo machines, Manufacturing process -I.

During his spare time he likes to paint and he is interested in playing Table tennis and Cricket.
