

Brief Bio-Data of Leena. L. B

Mrs. Leena. L. B is working as an Asst. Professor at ADARSHA in the Department of Electronics & Communication Engineering since February 2016. She obtained her Bachelor's degree in Electronics & Communication Engineering from Nagarjuna college of engineering, Bangalore in 2013 and Master's degree in Electronics from Sir. M.V.I.T, Bangalore in 2015. Her area of interest are VLSI design and Power Electronics.

During her M.Tech. program she presented Technical paper in International conference on Networks, Information and Communications 2015 held at Sri Venkateshwara College of Engineering, Bangalore. She also presented another Technical paper in the National Conference held at S. J. C. Institute of Technology, Chickballapur.

She has attended Faculty Development Programs conducted by Sir. M.V.I.T, on "Analog and Mixed mode VLSI design using CADENCE tool" and M. S. R. I. T on "Analog and RF CMOS Circuit Design".

She takes active interest in extracurricular and co-curricular activities. During her spare time she likes to Drawing, Painting and spend time in gardening growing flowers and vegetables. She is very good at sports and games like Throwball(Captain), Volley ball, shuttle.
