

Brief Bio-Data of Arun Kumar G C

Mr. Arun Kumar G C is working as an Asst. Professor at Adarsha Institute of Technology in the Department of Electronics & Communication Engineering since July 2015. He worked as an Assistant Professor in ECE Dept, SVIT – Bengaluru from 04-08-2014 to 30-06-2015. He also worked as a Teaching Assistant under TEQIP from 01-11-2012 to 30-07-2015. He obtained his Bachelor's degree in Electronics & Communication Engineering from Sai Vidya Institute of Technology, Bangalore in 2012 and Master's degree in VLSI Design and Embedded Systems from N.M.I.T, Bangalore in 2014. He has secured II place in International level competition for “Demo model of Multi-floor car parking” in SKY-BUS station, Avadi – Chennai. He has also taken responsibility to arrange Industrial visit for M.Tech students to ISAC (ISRO) on February 28th 2015.

During his post graduation, he has worked in “Center of Research in Robotics” in N.M.I.T, Bengaluru for duration of 18 months. He has Attended 5 days workshop on “ALLIANCE” conducted at NMIT, Bengaluru; attended 5 days workshop on DSP conducted at NMIT, Bengaluru; attended 10 days workshop on Control Systems (MHRD sponsored), NMIT. He also attended 6 days workshop on LAB View organized at SJBIT, Bengaluru.

He has published 3 papers in International journals and 2 papers in National Conference. His hobbies are playing Shuttle, carom, chess and learning new software tools and layout designing.

His area of interest includes Robotics, VLSI, Embedded System Design / Development. He has organized and conducted workshops on Arduino Micro controller, PSOC boards, LAB View and Multi sim.
